Description

In Campo de Ourique, a unique two-bedroom house is hidden in the city of Lisbon, built by the famous architect Norte Júnior in 1937, within an industrial complex of the Abel Pereira da Fonseca wine company: Vila Graciete.

This area is part of the tourist route due to its history and its proximity to the Estrela Basilica and the iconic Tapada das Necessidades Garden.

This house is currently undergoing renovation, with the possibility of choosing the finishes, with the project expected to be completed in the 4th quarter of 2026.
