Located 40 minutes from Lisbon, in the heart of the Alentejo, between golden vineyards and infinite horizons, a haven has been created for those who value silence, nature and exclusivity.

L'AND VineYards is more than a real estate development, it's an invitation to live fully, in harmony with the land and with time!

Each villa has been designed with absolute attention to detail, combining contemporary architecture, noble materials and large spaces integrated into the landscape. The vineyards, the lake and the open sky become part of your daily life, creating a setting of rare beauty and tranquillity.

Here, luxury is synonymous with space, privacy and authenticity. L'AND VineYards offers a unique experience, combining wine tourism, excellent gastronomy and well-being, in an environment designed for the few.

Contemporary houses inspired by the Mediterranean tradition of the courtyard, which connect the interior to the exterior, from 3 to 5 bedrooms, with large plots surrounded by vineyards, olive and orange trees, a private swimming pool, Gaggenau kitchens, luxury finishes and home automation integration.

Discover a new concept of living in the Alentejo!

Possibility of having your own vineyard and producing your own wine with the support of winemakers.
