LIVING ON ARMONA

Living on Armona Island means choosing a different rhythm.

Here, the days start with the sound of the sea and end with the sunset over Ria Formosa.
No traffic, no noise, just the essentials.

It is the ideal destination for those looking for a holiday home, a retreat in the Algarve, or a more authentic living experience.

The growing demand for properties in exclusive areas with limited access, such as Armona Island, has been increasing the value of such properties.

This house represents an excellent opportunity.

Armona Island is only accessible by boat, ensuring a safe, peaceful, and distinctive environment, increasingly valued by national and international buyers.

Houses like this don't often come up... and when they do, they don't stay available for long.
